Child Trafficking is the fastest-growing crime globally. FFA has documented over 40 related arrests in the Treasure Coast in one year.

We invite you to become a partner to STOP child sex trafficking. Whether you're an individual looking to make a contribution, a foundation seeking to change the community, or a potential business sponsor eager to see children rescued and healed through our don't Take the Bait! and Power of Art Programs - there's a place for you to make a difference with FFA.

Your gifts will...

- **Save** lives through prevention and increasing awareness!
- **Reach** more caring and concerned groups, such as churches, synagogues, families, schools, first responders, government officials, business leaders, law enforcement agencies, and other relevant organizations, to empower them to protect children from the fastest-growing crime in the world.
- **Increase** the trained trainers
- **Change** the course for the restoration of abused victims through Power of Art courses.
- **Establish** a foundation for new, up-to-date local resources to prevent and identify trafficked and abused victims.

Restoration Program Description

Students are taught in person on site at various organizations by trauma-informed teaching teams with 3-4 teachers per class.

Proven courses hosted online through videos with step-by-step drawings and paintings.

Children ages 3 to 17 learn to overcome trauma, forgive themselves and others, face their giants, get off the merry-go-round of co-dependency, what does real love look like?, and more, using art as the vehicle of healing.

Currently, The Power of Art ® is in 3 facilities in the Treasure and Gold Coast with more waiting for funding.

Saving Lives

Child Trafficking is the fastest growing crime in the world, and FFA has documented over 40 arrests in just one year in the Treasure Coast! Children are enslaved and brutalized in our own backyard! FFA is saving lives through prevention and increasing awareness that reaches churches, synagogues, families, schools, first responders, government officials, business leaders, law enforcement, and government agencies to protect children. FFA Awareness has directly resulted in arrests and rescues.

FFA is setting the course for lasting change with the restoration of the mental health of victims through proven transformational courses taught by FFA-trained trauma-informed teaching teams.

Proven Recognition

FFA Founder Lynne Barletta was awarded the 2024 Community Advocate of the Year for the state of Florida under Florida Attorney General Ashley Moody (Now US Senator) for her work in awareness and restoration through Florida Faith Alliance, collaborating with the award-winning Visionary School of Arts.
